

PERIÓDICO TCHÊ QUÍMICA.

English version 1.1 – 2021.

This agreement is based on the Brazilian Federal Law No. 9.608 of February 18th, 1998, and in the TERM OF ACCESSION TO THE BODY OF SPECIAL CIVIL DEFENSE VOLUNTEERS FROM THE STATE OF RIO GRANDE DO SUL.

The purpose of this agreement is to ensure that the members of the Scientific Council of Periódico Tchê Química know that they are volunteers in this service and understand their obligations and rights as editorial board members.

Here are the terms:

1. This contract is valid only after the candidate send this agreement signed to one of the Editors-in-chief of Periódico Tchê Química through the official email of the Journal journal.tq@gmail.com

§ 1º. The interested party sends the contract.

2. The members of the Scientific Council of Periódico Tchê Química may not, under no circumstances:

A) Disclose its evaluations and reviews to third parties;

B) Transfer the articles to other Journals or any other means of disclosure other than Periódico Tchê Química;

C) Committing plagiarism crimes. Such a crime is a disgrace to the Scientific Council, Periódico Tchê Química, the Scientific Community and will damage the reputation and the history of good practices of the Journal. The punishment for this foul will be severe.

D) You cannot make comments about the manuscripts reviewed outside the Scientific Council of Periódico Tchê Química;

E) Members of the Scientific Council of the Periódico Tchê Química inactive or not cooperating when requested with the tasks of the Journal will not have their names published in the credits;

F) “Inactive” means those members who no longer respond to so-called or Requests from the rest of the board;

G) Omitted cases will be judged separately.

Of the rights of the members of the council:

3. The members of the Scientific Council of Periódico Tchê Química will be entitled to:

A) To have its names published in the Editions of the Periódico Tchê Química (both online and printed, when requested);

B) Special thanks to the Scientific Council of Periódico Tchê Química that stand out in their provision of services to the community;

C) The papers will always be reviewed in pairs (peer-review);

D) The members of the Scientific Council of Periódico Tchê Química may veto articles that are not consistent with reality and show concerns about ethics and the data presented.

D.1) If there is a disagreement between the veto and the approval, the vote of minerva or the choice of the vote of minerva is reserved for the editors of the Journal.

E) The members of the Scientific Council of Periódico Tchê Química may request, via the Editor-in-chief, additional information to the authors of the articles, to better an opinion or solve doubts;

F) Members agree to receive the original articles for reviewing without information about the authors. Such a condition is proposed to ensure the impartiality of the reviewer;

G) The Scientific Council members shall submit their CV or Resume to the Editors-in-chief and keep it updated. Also, they should indicate an email address (preferably a professional address) to be added to the website of the Journal and make it transparent to all authors.

H) Unforeseen situations will be discussed separately.
